RE: Highland Ridge Subdivision
Letter of Credit Review

Dear Mr. Healy:

We have completed our review of the request to reduce the Letter of Credit for Highland Ridge Subdivision. Our review was based upon documents provided by Monches Investment, LLC., and our observation of construction completed to date.

Therefore, we recommend that the Letter of Credit be reduced from \$108,250 to \$67,600. Our recommendation is based upon work completed and the requirement in the Developer's Agreement under Section VII, that 10% of the cost of completed public improvements remain as security for 14 months after substantial completion.

Please contact me at our Cedarburg office (phone 262-204-2341) if you require any additional information or if you have any questions.

Sincerely,

VILLAGE OF RICHFIELD

VILLAGE BOARD COMMUNICATION FORM

MEETING DATE: June 18, 2020

SUBJECT: Weights and Measures - Public Hearing

DATE SUBMITTED: June 11, 2020

SUBMITTED BY: Jim Healy, Village Administrator

POLICY QUESTION: DOES THE VILLAGE BOARD WISH TO APPROVE THE ASSESSED WEIGHTS AND MEASURE FEES AND DIRECT STAFF TO ADMINISTER THE LICENSING PROCESS PER OUR VILLAGE CODE?

ISSUE SUMMARY:

The State of Wisconsin requires villages to pay for the testing of weighing and measuring devices within their municipality. State Statutes allow municipalities to recoup the costs of this process and the \$2,400 fee the State charges for this service. In April 2009, the Board approved Chapter 363 (attached) regulating Weights and Measures. Through research of the devices declared within the community, Staff has determined the licensing should be set at \$30.00, while the fee should be set at \$16.50 per heavy capacity weighing device or scanner and \$15.00 per small counter scale or liquid measuring device. These fees remain generally unchanged from the 2013 licensing year with the only difference since that time being a \$0.25 increase in small counter scales or liquid measuring devices.

In the 2020 Village Budget, this money is shown as both a revenue from the business and a corresponding expense from the State of Wisconsin netting an even 'money in, money out' situation.

Tonight, a Public Hearing has been scheduled regarding these fees. Adequate notice has been published in the West Bend Daily News. A copy of the same has been delivered to all businesses inspected by the State of Wisconsin. Attached please find a copy of said notice for your convenience.

VILLAGE OF RICHFIELD

VILLAGE BOARD COMMUNICATION FORM

MEETING DATE: June 18, 2020

SUBJECT: Restaurants, Standard – Proposed Ordinance Amendment

DATE SUBMITTED: June 11, 2020

SUBMITTED BY: Jim Healy, Village Administrator

POLICY QUESTION: DOES THE VILLAGE BOARD WISH TO DIRECT STAFF TO PREPARE A PUBLIC HEARING FOR JULY TO CONSIDER "RESTAURANTS, STANDARD" AS A PRINCIPAL PERMITTED USE IN THE VILLAGE'S BUSINESS ZONING DISTRICTS?

ISSUE SUMMARY:

As a part of the Zoning Code Recodification, the Subcommittee and the Plan Commission have been reviewing the "uses" and making recommendations on whether these uses should be considered "principal permitted uses", "conditional uses", or eliminated from the text. One of the areas discussed early on was the appropriateness of "Sit-down Restaurants" in our business zoning districts. It has been recommended by the Zoning Code Subcommittee and reviewed by the Plan Commission that these types of uses be permitted by "right". This proposed amendment still requires businesses to meet other guidelines related to parking, landscaping, building requirements (setbacks, building heights, etc.), lighting, Plan of Operation review, etc. However, it was determined that this type of use is unobjectionable and should be permissible everywhere.

The Village is about two (2) months away from being able to adopt its updated Zoning Code and very recently the Village was approached by Mr. Mark Weiss who is the new owner of the former Sobelman's (Amici's) building on STH 175. His proposal, as petitioned to the Village, would be to open a second location for The Badger Burger Company (<https://www.badgerburgercompany.com/home.php>) which is presently located in Mukwonago. It is scheduled to be reviewed by the Plan Commission in July and tonight he has also petitioned the Village Board for a Reserve "Class B" Alcohol Beverage Retail License at the cost of \$10,000. "Sit-down Restaurants" were repealed as Conditional Uses in the B-5, Downtown Business Zoning District. So technically, the "use" does not exist.

To expedite the process and work with the prospective business owner, Village Staff approached the Village President and asked for this agenda item to be placed on the agenda. That way, the business owner can open along the approximate timeline as he was intending to and we can make a change to the Code that was already expected to be made in the coming months. As with all the Village's proposed uses, we have created a definition for the same. It is included below in your convenience. Along with the corresponding insertion into the Code into all or some of the business zoning districts, it would also need to be incorporated into the Definitions found in 70.12 of the Code.

Restaurant, Standard- "A restaurant where 1) an employee of the restaurant takes food orders and/or serves the food while customers are seated at a table, 2) payment is made after the food and drink has been consumed, and/or 3) food is predominately served on non-disposal containers or receptacles. A standard restaurant may include take out service so long as this use is clearly subordinate to the overall character of the restaurant. In contrast, see "Restaurant, Fast Food".

If the Village Board finds the "use" of a "Restaurant, Standard" to be wholly unobjectionable, then this use could be inserted into each of the Village's five (5) business zoning districts. If the Board is satisfied that it is interested in making this change to the B-5, Downtown Business District, only, at this time, a simple amendment could be made to just this District to accommodate this business owner and that category of business. This concept has been discussed by the Subcommittee and the Plan Commission but has never been discussed by the Village Board. In terms of workload, the difference between the two (2) is negligible because the drafting of the "use" has already been completed.

If the Village Board is of a mind to recommend to Staff to prepare an Ordinance amendment, the matter would be scheduled for Public Hearing at the July 23rd Village Board meeting.

VILLAGE OF RICHFIELD

VILLAGE BOARD COMMUNICATION FORM

MEETING DATE: June 18, 2020

SUBJECT: Reserve "Class B" Alcohol Beverage Retail License, Unenclosed Premise Permit, Application for Coin Operated Machine – The Badger Burger Company located at 1872 STH 175 (Tax Key: V10_030000Z)

DATE SUBMITTED: June 11, 2020

SUBMITTED BY: Donna Cox, Deputy Clerk

POLICY QUESTION: DOES THE VILLAGE BOARD WISH TO CONDITIONALLY APPROVE A RESERVE "CLASS B" ALCOHOL BEVERAGE RETAIL LICENSE, AN UNENCLOSED PREMISE PERMIT, AND APPLICATION FOR COIN OPERATED MACHINES FOR THE BADGER BURGER COMPANY AT THE SITE OF THE FORMER SOBELMANS PUB AND GRILL?

ISSUE SUMMARY:

The Village was petitioned by Mr. Mark Weiss, owner of Badger Burger Company, to receive a Reserve "Class B" Alcohol Beverage Retail License since one (1) was surrendered by Sobelmans Pub and Grill when it closed its doors several months back. By law, the Village must charge a minimum of \$10,000 for this license. All applicable fees have been paid by the applicant and the paperwork has been filed in the Office of the Municipal Clerk for greater than 15 days, pursuant to Wisconsin State Statutes.

While the timing of the petition is somewhat non-traditional, after speaking with Attorney Macy who does liquor licensing training exercises for the Department of Revenue, nothing would prohibit the Village from granting a license to the entity. However, it would be recommended that as a condition of approval, the Plan of Operation should be approved by the Plan Commission. Additionally, the previously considered Ordinance Amendment must be approved by the Village Board. Finally, the applicant must receive an occupancy permit from the Building Inspection Department, Richfield Volunteer Fire Company, and pay all associated fees.

Regarding the desire to have outdoor seating, Mr. Weiss has proposed a 10'x54' outdoor seating area adjacent to the sidewalk on STH 175 with a seating capacity of seven (7) tables. Site work has already begun in this area as a part of the property owner's desire to revitalize the building. In light of all Washington/Ozaukee County Health Department guidance in the "Blueprint for Reopening Washington and Ozaukee Counties" regarding COVID-19, it is likely to become the "norm" for restaurants to expand or develop outdoor seating areas. While this may be problematic in some instances, the subject property is located on a State Highway and would not disturb neighboring properties any more than the ambient noise of nearby traffic. A drawing of the outdoor seating area has been included for your convenience. The site plan for outdoor seating has been reviewed and recommended for approval by the Fire Chief, Building Inspector, and the Washington County Sheriff's Office.

Lastly, the business owner is proposing seven (7) coin operated machines inside his establishment. A juke box, pull tab machine, and five (5) video poker machines.

Specific Conditions of Approval:
